

ENVIRONMENTAL POLICY STATEMENT

Jane Clayton and Company Limited is a long established and respected interior design company, committed to the protection, enhancement and preservation of the environment. We acknowledge that our day-to-day activities have an impact on the local, regional and global environment.

To achieve these objectives we are committed to the reduction of pollution and the minimisation and resourceful handling of waste.

We comply with all laws and codes of practice applicable to our business and achieve a high standard of environmental performance by:-

- Recycling and minimising waste wherever possible using licensed contractors and facilities
- Carefully planning and considering the resources we use
- Using suppliers, whenever possible, who are committed to the environment
- Co-ordinating route planning to help reduce exhaust emissions and fuel consumption
- Setting and monitoring standards, and carrying out an annual evaluation of our performance
- Training our personnel to understand the environmental impact of their actions
- Offering a packaging waste removal service for our customers
